Summary

The fact that there is an abundance of data around us, which can be used to predict future behaviour and help make important decisions, excites me. Data Science and Analytics is one of my major areas of interest.

Education

| Degree | Year | School/University | CGPA or % |
|--------|------|-----------------------|-----------|
| B.Tech | 2019 | BML Munjal University | 7.65 CGPA |
| 12th | 2015 | Chinar School | 89% |
| 10th | 2013 | Chinar School | 9.6CGPA |

Projects

1. Student Management System using Java Swing and MySQL.
2. E-Health Glove and Doctor Locator using Arduino and Android Studio.
3. Expense Manager using Android Studio.
4. Web Crawler using Information Retrieval in Python.
5. Payment app for Illiterates using Android Studio.
6. Sentiment Analysis Classifier for food reviews using Python, NLP, Machine Learning and Django.
7. Radix Sort and Bucket Sort Animation using D3.Js, P5.Js, HTML and CSS.
8. Housing Price Prediction using Python and Machine Learning.
9. Twitter Sentiment Analysis using Python, NLP and Machine Learning.

Achievements

1. Internship at Grras Solutions Pvt. Ltd. in Linux Administration, Jaipur (PS-II)
2. Internship at Wabi Tech in Internet Research
3. Certificates in football at district level as well as at university level
4. Volunteer in Eco cart organized in BML Munjal University
5. Volunteer in TEDxBMU organised in BML Munjal University

Technical Strengths

Computer Languages
Databases
Skills

Software's
Operating Systems

Python, C, C++, Java, D3.Js, P5.Js, HTML, CSS
MySQL, SQLite
Data Analysis, Android Development, Database Management, Competitive Programming, Machine Learning, Natural Language Processing
Jupyter/Pycharm, Net Beans, Android Studio, Proto.io
Microsoft Windows, Linux (Ubuntu, RHEL7)

**Courses And
Certifications**

1. Course on Linux administration by REDHAT
2. Coursera certified specialization course on Applied Data Science in Python by University of Michigan
3. Google certified courses on Google Analytics
4. Qualified Google Analytics Individual Qualification (GAIQ) Exam conducted by Google
